Profile

Driven by a passion for web development, I am an IT Engineering student at Tishreen University with hands-on experience in front-end and back-end technologies. I am skilled in PHP, JavaScript, MySQL, HTML, and CSS, with a strong problem-solving mindset.

At Focal X Agency, I earned an 89% rating as a Back-end Developer and led our graduation project, showcasing my leadership and teamwork abilities. Currently, I am expanding my expertise through a FullStack Developer course at the same academy.

My aim is to continually grow and refine my skills, contributing innovative solutions and making a positive impact in any role I undertake.
